

Water Efficiency Rebates for Residents

The San Diego County Water Authority and its member agencies participate in SoCal Water\$mart, a region-wide program operated by the Metropolitan Water District of Southern California (MWD). The program offers rebates for water-efficient purchases for single-family properties. Funding is limited and available on a first-come, first-served basis. For lists of products, guidelines and for rebate amounts, visit www.20gallonchallenge.com and look under "Programs & Incentives."

INDOORS

High-Efficiency Clothes Washer Rebates*

The SoCal Water\$mart Program provides a financial incentive to encourage customers to choose a high-efficiency clothes washer (HEW) instead of a standard top-loading model. HEWs use 65% less water, 55% less energy, use less detergent; clean better; and are gentler on clothes than standard clothes washers. Co-funding provided by SDG&E. For program information and eligibility requirements, please visit 20gallonchallenge.com or call 1-888-376-3314.

Single-Family High-Efficiency Toilet & Upgrade Rebates*

The SoCal Water\$mart Program offers a rebate for high-efficiency toilets and high-efficiency toilet upgrades. For program information and eligibility requirements, please visit 20gallonchallenge.com or call 1-888-376-3314.

OUTDOORS

Single-Family Rotating Nozzle Rebates

The SoCal Water\$mart program offers rebates on rotating nozzles for single-family properties. Rotating nozzles are a good tool for reducing runoff and water waste.

For program information and eligibility requirements, please visit 20gallonchallenge.com or call 1-888-376-3314.

Single-Family Smart Controller Rebates

The SoCal Water\$mart program offers rebates for certain brands of "smart" controllers for all customers in the Water Authority's service area. A "smart" or weather-based irrigation controller can be an effective technology for reducing water usage outdoors.

Additional individual water agency incentives are available in some areas. For detailed information, please visit 20gallonchallenge.com or call 1-888-376-3314.

Single-Family Synthetic Turf Rebates

A per square foot incentive is available for synthetic turf in some areas. The replacement of irrigated vegetation with synthetic turf may significantly reduce your outdoor water use.

To check synthetic turf availability in your area, please visit 20gallonchallenge.com or call 1-888-376-3314.

Single-Family Smart Landscape Evaluations (formerly Indoor and Outdoor Surveys)

A Smart Landscape Evaluation is a free service designed to assist customers of participating agencies with the identification of indoor and outdoor water savings opportunities. Participants can expect to have technicians review indoor fixtures and evaluate the performance of the site's irrigation system. At the end, the participant will receive a list of recommendations and a proposed watering schedule. To enroll please contact (866) 883-1332, unless you are a customer of one of the following agencies, in which case, please call the number corresponding to your agency to request the service.
