

Attention Mobile Home Park Management:

THE FOLLOWING RATES APPLY ONLY TO THOSE SERVICES SUPPLIED TO YOUR PARK BY PADRE DAM MUNICIPAL WATER DISTRICT.

This information is provided to inform Mobile Home Park Management of the current rates and fees. The rate structure may be confusing for individual residents within a mobile home park, if you provide individual sub-metering. If you choose to distribute the information to your individual residents, we suggest the data be reformatted in a way that describes *your* method of passing along these charges through your contracted sub-metering company.

Please refer to the rate sheet below for the specific rates and effective dates.

For further details on Padre Dam's rates, we encourage you to continue exploring our website at www.padredam.org or contact our Customer Service Department at (619) 258-4600, Monday through Thursday, 9:00am—4:30pm, and Friday, 8:00am—12:00pm.
